Electronic Discovery in Litigation

EDD Supplier Landscape

ISSN 1551-6385 2004, No. 1 | EDDix, LLC

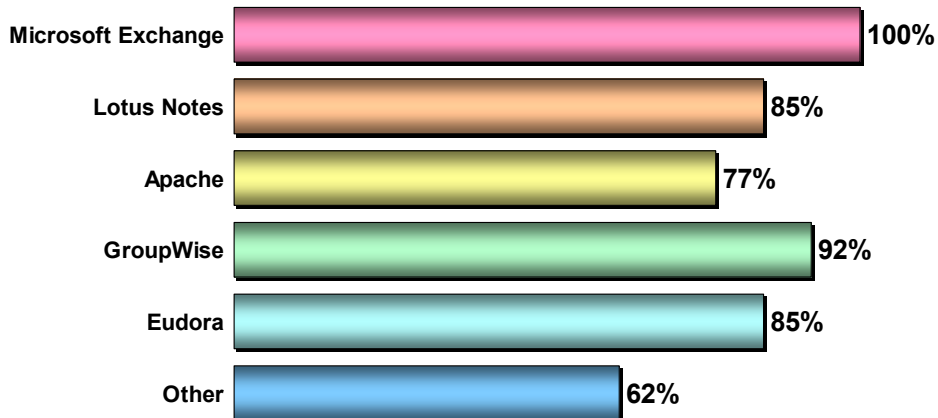

C. Collection & Extraction

2. Types

a) E-mail

(1) E-mail Servers

▶ Check all of the following e-mail systems with which your company has direct and substantial EDD data extraction experience ...

(2) E-mail Links

▶ When extracting e-mail documents, do you maintain attachment links?

“YES” = 100%

(3) E-mail Threads

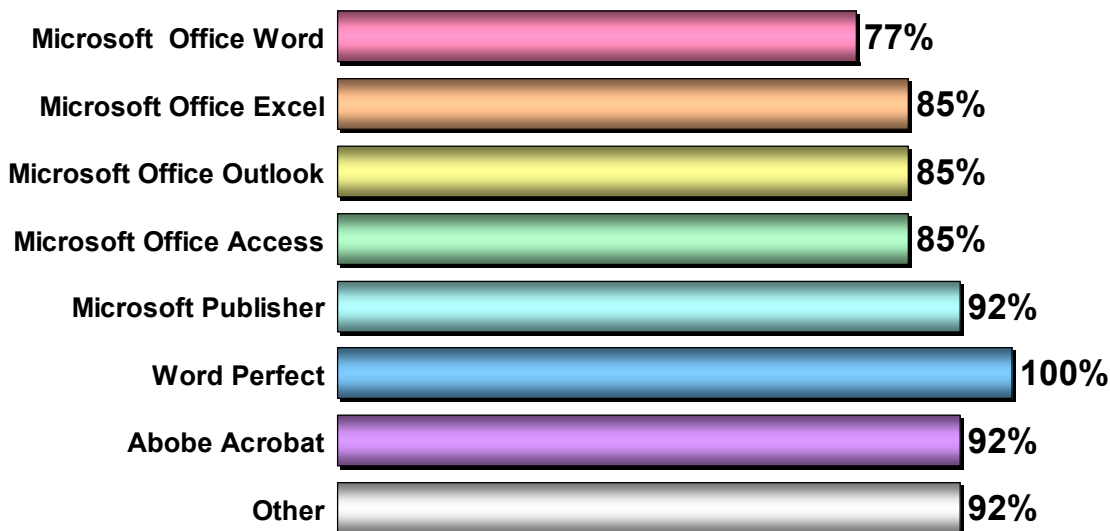

▶ When extracting e-mail documents, do you maintain e-mail threads?

“YES” = 100%

C. Collection & Extraction

4. Metadata

▶ Check all of the following applications with which your company has direct and substantial EDD metadata extraction experience ...

With all of the *smoking gun* hoopla surrounding metadata these days, we might have expected to see these figures at 100% – at least for MS Outlook, if not the entire Microsoft Office application suite. We do expect to see them at 100% a year from now.
